

Design: Björn Dahlström

Winwin

Standard colours.

Table with a trestle and glass top combination. The triangular geometry of the trestles creates an elegant graphic signature to the top. The oak trestles provides a sturdy structure to support the massive tempered glass.

Standard finish for the trestles is clear laquer or black or white stain. Glass top can be in clear, grey or bronze tinted glass. Top come in lengths between 1800 and 3200mm.
