

Boxlike 2-seater

The BOXLIKE sofa is a versatile design, perfect for public spaces but equally suited for the home. Comfortable and supportive, with a relatively upright seated position, it's a great looking and stylish sofa with strong graphic lines. BOXLIKE's angular, architectural expression lift a space easily, whether you use a single sofa or combine with a handful as a group.

The sofa is available as a two or three-seater and can be upholstered in a variety of fabrics.

Design by Anna von Schewen
