

Boxlike 3-seater

The BOXLIKE Sofa is a stylish, easy-on-the-eye design that boasts exceptional comfort. With its relatively upright sitting position, the sofa lends itself to a social setting in contract environments like restaurants, waiting rooms and lounges.

The architectural lines and striking composition also make it a great home sofa and focal point in any interior. BOXLIKE is easy to style and incorporate into a design setting, looking elegant on its own or dynamic in a group. The sofa is also available as a two-seater.
